Dear Sir / Madam

EH922 – A32 Gosport Road, Filmore Hill - Carriageway Resurfacing Works

As part of the annual planned maintenance programme, this letter is to let you know that we will be undertaking a carriageway survey ahead of carriageway resurfacing works on A32 Gosport Road, Filmore Hill.

In order to undertake the works safely, the road will be closed to through traffic between between the junction of A272 Winchester Road, to the junction Petersfield Road, Monkwood, on the following dates/times:

- 20th to 21st July 2024 from approximately 08:00 – 18:00hrs.
- 22nd to 26th July 2024 from approximately 19:00 – 06:00hrs.

The road will be open outside of these hours.

Approximately 2 weeks prior to the resurfacing works commencing, you will receive a further letter confirming the start date and working hours of these works.

As a resident/business, you are receiving this letter to inform you that, due to the close proximity of your property to the works, you are within an area which may experience some noise disturbance overnight. We are aware of the issues created by night working and will endeavour to keep noise levels reduced whenever possible.

Whilst there is an allowance within the time periods shown above for delays, there may be times when we have to postpone works at very short notice; based on the latest weather forecasts, this can occur just prior to works commencing.
